Closure of Regulatory Observation RO-UKHPR1000-0030 - Justification For The Use Of Automatic Diagnosis.

Dear

I refer to Regulatory Observation RO-UKHPR1000-0030 issued on 23/01/2020.

I am writing to confirm that:

- In response to all Regulatory Observation Actions, you have submitted the information committed to; and
- This information has been assessed by ONR and we judge that it provides an adequate response to our Regulatory Observation Actions.

On this basis, ONR confirms closure of Regulatory Observation RO-UKHPR1000-0030.

There is one residual issue attached to this RO closure. This concerns the requirement for the future licensee organization to provide a suitable and sufficient justification of the AD system as it will be used on the UKHPR1000.

A copy of this letter will be published on the ONR website in due course.

Yours sincerely,
